## *Red Wines of Italy*

*Like most Italian aristocracy, Marquis Mario Incisa della Rocchetta dreamed of creating a noble wine and his taste ran strong to a fine Bordeaux. After settling with his family into their Tuscan estate at Tenuta San Guido, he experimented with several French grape varieties and concluded, "the bouquet I was looking for" was found in the Cabernet which represented a radical shift from the traditional Tuscan varieties of Sangiovese and Nebbiolo. The 1968 vintage of Sassicaia was the first to be offered on the open market and it was as well received as the Premier Crûs from Bordeaux.*

## *Red Wines of Lebanon*

*Château Musar is located in an 18th Century castle in Ghazir, just fifteen miles north of Beirut, in the fertile Bekaa Valley of Lebanon. Their grand vin is the red Château Musar, a blend which may include Cabernet Sauvignon, Cinsaut, Carignan, Grenache and Mourvedre. The wine is fermented in concrete, before spending one year in vat, then a year in French oak, before going back to vat for several years.*

*Serge Hochar, owner/winemaker believes his wine needs years - perhaps ten - before it is ready for drinking, and the wines are already some way towards that age when they are finally released onto the market.*
